

On this day, the 3<sup>rd</sup> of August, 2008, I hereby declare the official retirement of boat number **7** in all classes and future competitions of the F1 Champboat racing organization.

The retirement of number **7** is tribute to Mr. Bill “Billy” Seebold, Jr. His racing career spanned 46 years and he captured over 900 victories. Bill has raced and won around the world. Because of his racing accomplishments, Bill Seebold has been inducted into the Missouri Sports Hall of Fame and the Motorsports Hall of Fame.

Bill Seebold has truly been a pioneer in “tunnel-hull” outboard boat racing. His efforts in boat design and safety have helped further the sport nationally and internationally.

It is my honor to declare boat **#7** officially retired from F1 Champboat racing.
